Please join us for the 2025 Hoover Historical Society Open House. Here you may enjoy light refreshments and music by The Hoover High School Jazz Ensemble. At 3:00 pm the Hoover Historical Society annual scholarships will be awarded to selected recipients from the Hoover School System.

The Hoover-Randle home was built in 1947. William H. Hoover, founder of the City of Hoover, built this Southern Colonial home for his family. They occupied the home until 1987 when it was purchased by Barbara and Edmond H. Randle, Jr. It was placed on the Alabama Register of Landmarks and Heritage in 1990. The home has recently undergone renovations to enhance and preserve this landmark for the enjoyment of the community and visitors alike.

Hoover Historical Society members may renew their membership at this event - **and new members are welcome!** Annual dues are \$20 per person or \$30 per couple, and can be paid by cash, check, or PayPal at www.hooverhistoricalsociety.org
